Care Coordinator – Elgin Chronic Team (Temporary Full Time)

The Opportunity:

At this time, the South West Local Health Integration Network is seeking one (1) temporary full time Care Coordinator to support our Chronic Team within Elgin County. The assignment is an approximate duration of six (6) months. The successful candidate is welcome to be considered for casual employment following completion of the assignment.

As a valued member of the Home and Community Care portfolio, the Care Coordinator:

- Is a Registered Nurse, Occupational Therapist, Physical Therapist, or Master of Social Work;
- Has exceptional communication and organizational skills;
- Can easily build and sustain therapeutic relationships;
- Demonstrates the integral qualities of excellent “customer service” when providing patient care;
- Uses their superior assessment skills and sound clinical judgement with a patient-centred approach;
- Is a natural motivator, leader, and advocate;
- Practices and upholds the values of accountability and “thinking outside the box”.

If you possess the above credentials, skills, and values, we want to hear from you!

What Can I Expect To Do?

You will be accountable for coordinating the delivery of care to patients across a continuum of care, facilitating and ensuring the achievement of quality clinical outcomes.

As a Care Coordinator, you will:

- Triage new referrals;
- In collaboration with the patient, assess their needs to determine eligibility for services (e.g., LTC, Adult Day Program, etc.);
- Develop, evaluate, and revise patients’ service plans together with the patient, their support network, and system partners (e.g., physicians, hospitals, community agencies, etc.);
- Make referrals to a variety of community supports, and assist patients and their families through the process;
- Act as a liaison between patients and their various health care providers to achieve optimal health, independence, and dignity; and,
- Represent the LHIN on multidisciplinary committees and community agency working groups.

Location: This position is located within Elgin county.

How Do I Qualify?

Education:

- A Registered Nurse (RN, BScN), Occupational Therapist, Physical Therapist, Social Worker (MSW) who has membership in good standing with a regulatory body in Ontario.

Experience:

- Experience with clinical assessment tools and developing service plans;
- Previous experience as an advocate and active contributor within a multidisciplinary team.

Knowledge, Skills, and Abilities:

- An understanding of: the roles of health care professionals; the evolving role of LHINs; the issues and priorities within the health care sector and how they impact patient care delivery;
- Sound knowledge of community resources and the long-term care system;
- Active knowledge of privacy and other relevant legislation (e.g., the *Long Term Care Act*);
- Effective planning, organization, and evaluation skills;
- Superior communication, interpersonal, and conflict resolution skills with high emotional intelligence;
- Efficient computer literacy in patient health databases and Windows environment;
- Demonstrated ability to balance fiscal responsibilities with patient needs.
- The ability to travel throughout the Elgin region is required.
- Valid driver's license and access to a reliable vehicle.

Preferred Qualifications:

- Proficiency in a second language, particularly French.
- Recent clinical experience and experience with mental health and addictions.
- Proficency with RAI assessment tools.
- Flexible work schedule (i.e., days, evenings, and weekends) to meet organizational needs.
- Comfortable with and excels in independent work.
- An ambassador of workplace culture.
