Item	Topic or Subject	Notes / Actions
1	**Welcome** • Tolleen welcomed everyone	
2	**Approval of April Agenda and March Minutes** • No additions to the Agenda and Minutes approved by consensus	
3	**Actions from March Meetings** • Going forward we will send out "draft" minutes within a week of the meeting, please review the action items and, these draft minutes are not to be distributed until approved at following meeting. • Coordination and better understanding of Primary care recruitment: ○ Dr. Dyke – LHIN Clinical Lead met with Jane Tillman, Health Force Ontario and Stacy Hogg, VP-Human Resources, Public Relations and Physician Recruitment at Hanover District Hospital on March 22 to understand recruitment in Grey Bruce	○ Tolleen follow up with Keith and Jane for a presentation on recruitment efforts in Grey Bruce ○ LHIN will continue to compile an inventory of programs ○ Dr. Elyse Savaria provide Owen Sound FHT stats on COPD.

Item	Topic or Subject	Notes / Actions
	○ There is no single model for primary care recruitment to communities • COPD discussion - next steps ○ Need to get a better picture of what programs are available and where they are located ○ Owen Sound FHT does have a pulmonary rehab program ○ Brockton and Area FHT has a COPD pilot to provide pulmonary rehab and respiratory education ○ Kincardine FHT is looking to replicate a program that has gone over very well in LHIN 1, there is a meeting on Apr 5t ○ Once we complete the inventory we can look at where there are gaps in Grey Bruce and then determine what the SRIT's role will be in addressing the gaps	
4	**Priority Discussion:** ***Improve knowledge and utilizations/embedding of programs and services that support prevention and management of chronic conditions*** • See actions from March Meeting for future actions	
5	**Priority Discussion*: Identify and support recommendations from the KPMG (consultant) Mental Health and Addictions capacity*** • Update on capacity planning work: the LHIN is recruiting for a Senior Project Lead to implement the four work streams developed to address recommendations from the capacity report • LHIN has hired a new Director Home and Community Care (HCC) with a focus on mental health and the LHINs care coordinator service. • Deeper dive into local concerns ○ Group reviewed some of the Grey Bruce data from the capacity report ○ Group commented on the challenges of diverting patients from ER to more appropriate care/support; the ongoing challenges of having a high seniors populations and wait times for LTC; inconsistent models for responding to people in crisis; inconsistent processes with police when bringing people to ER; transportation challenges for all patients needing care/support; poor communication of what is available; lack of coordination between programs ○ For services to really meet needs, table members feel Grey Bruce will need 24/7 access to them ○ TheHealthLine.ca does have many services listed – not always intuitive ○ CMHA will be investing in technologies i.e., phones so that these patient can reach out for help. Meeting with LHIN and ministry in near future to understand how this will work. ○ Sub-priority to consider: look more closely at the need for 24/7 access; would this include creating one number to call for all mental health supports and programs. Would this include a	○ Claude will send the information about the centralized telephone service to Alexa to send out once he receives it. ○ Ian Reich, will bring this conversation to the Health Links table and report back to SRIT ○ Claude Anderson will send a "Where to Find Services" document to Alexa as well.
