Sub-region Integration Table – Elgin

Meeting Highlights – February 14, 2019 – South West LHIN St. Thomas Office

- Reinforced the importance of **Indigenous Cultural Safety (ICS) training** and the importance of the training to improve culturally safe care across Elgin County. Elgin still has approximately 70 paid seats to offer that need to be filled by March 31, 2019.
- Our **Work Plan** is now available on Google Docs and is being updated regularly by all SRIT members, including the ability to flag when they would like time on upcoming meeting agendas to discuss Work Plan items.
- Discussed the progress of **Priority #2 and the status of the Elgin Mental Health and Addictions Network**. Next full associate meeting is on March 4, 2019. The table has identified a focus on promoting virtual supports (e.g. BounceBack).
- The **Elgin Hospice Palliative Care (HPC) Collaborative** members highlighted the development of a new communication tool to facilitate timely communication between their work and our work. The first version will be ready for review April 1, 2019.
- We are in the process of creating a map to understand the relationship of all tables in Elgin, and understanding which committees we should maintain strong connections with.

What can you do to advance improved health, wellness, patient experience and outcomes, value for money, and provider experience across Elgin?

- Register yourself or your staff for Indigenous Cultural Safety Training (email Laura.Deyell@lhins.on.ca or joe.antone@lhins.on.ca to register)
- Access/promote free, online training, "Understanding Stigma" associated with Mental Health and/or Addictions (https://www.camh.ca/en/education/continuing-education/continuing-education-programs-and-courses/understanding-stigma)
- Access and promote the Community Support Services centralized 'One Number' 1-888-866-7527
- Become involved in the South West Experience Based Design Community of Practice (email info@partneringforquality.ca) ASAP for more information; applications due early March/19)
- Promote the new VON Kid's Bereavement Support Group in St. Thomas (http://von.ca/en/service/childrens-bereavement-program)
- Track the flu across Ontario (http://mapper.kflaphi.ca/ilimapper/)
- Promote Women's Breakfast for Everyone (March 7, 2019) Violence Against Women Services Elgin (https://www.eventbrite.ca/e/womens-breakfast-for-everyone-tickets-55390960855)

The next Elgin Sub-region Integration Table meeting:
March 14, 2019 1:15-4 pm, South West LHIN Office, St. Thomas
Executive Assistant (interim): jennifer.machan@lhins.on.ca
