

## Regional Clinical Co-Lead (Physician) Role Opportunity

The South West Hospice Palliative Care Network (SWHPCN) in partnership with the South West LHIN and the South West Regional Cancer Program are seeking a Regional Clinical Co- Lead, to join the SWHPCN leadership team.

The Regional Clinical Co-Lead will report to the Cancer Care Ontario Regional VP and the LHIN CEO (through the Chief Clinical Lead). The Regional Clinical Co-Lead will collaborate with local clinicians and other partners to improve hospice palliative care across all patient populations, illness trajectories and health care settings. Together, with the South West Hospice Palliative Care Network (SWHPCN) Lead, they will be responsible for the delivery of regional work plans and completion of annual objectives.

The Clinical Co-Lead will fulfill a critical role in improving hospice palliative care across all patient populations, illness trajectories and health care settings. The Clinical Co-Lead will provide strong, visionary clinical leadership at the regional level as a recognized leader in the region in hospice palliative care, demonstrating in-depth and current knowledge of clinical and system level issues. The Clinical Co-Lead will participate as an active member of the SWHPCN to facilitate regional planning, palliative care network development, performance measurement, and quality process improvement.

The SWHPCN is looking for a strong professional with a proven track record in leadership that is passionate about evidence based care and quality improvement. Applicants must have experience and expertise in the area of palliative care and be members in good standing of the College of Physicians and Surgeons as defined by the Regulated Health Professionals Act.

Interested parties should forward an electronic application, including a letter expressing their interest and a copy of their resume to:
