

Care Coordinator – Huron/Perth County (Casual)

The Opportunity:

At this time, the South West Local Health Integration Network is seeking Casual Care Coordinators.

As a valued member of the Home and Community Care portfolio, the Care Coordinator:

- Is a Registered Nurse, Occupational Therapist, Physical Therapist, or Master of Social Work;
- Has exceptional communication and organizational skills;
- Can easily build and sustain therapeutic relationships;
- Demonstrates the integral qualities of excellent “customer service” when providing patient care;
- Uses their superior assessment skills and sound clinical judgement with a patient-centred approach;
- Is a natural motivator, leader, and advocate;
- Practices and upholds the values of accountability and “thinking outside the box”.

If you possess the above credentials, skills, and values, we want to hear from you!

What Can I Expect To Do?

You will be accountable for coordinating the delivery of care to patients across a continuum of care, facilitating and ensuring the achievement of quality clinical outcomes.

As a Care Coordinator, you will:

- Triage new referrals;
- In collaboration with the patient, assess their needs to determine eligibility for services (e.g., LTC, Adult Day Program, etc.);
- Develop, evaluate, and revise patients’ service plans together with the patient, their support network, and system partners (e.g., physicians, hospitals, community agencies, etc.);
- Make referrals to a variety of community supports, and assist patients and their families through the process;
- Act as a liaison between patients and their various health care providers to achieve optimal health, independence, and dignity; and,
- Represent the LHIN on multidisciplinary committees and community agency working groups.

Location: This position is located within Huron and/or Perth county. The Care Coordinator may work in a variety of settings – one of our offices, a hospital, or within the community.

How Do I Qualify?

Education:

- A Registered Nurse (RN, BScN), Occupational Therapist, Physical Therapist, Social Worker (MSW) who has membership in good standing with a regulatory body in Ontario.

Experience:

- Experience with clinical assessment tools and developing service plans;
- Previous experience as an advocate and active contributor within a multidisciplinary team.

Knowledge, Skills, and Abilities:

- An understanding of: the roles of health care professionals; the evolving role of LHINs; the issues and priorities within the health care sector and how they impact patient care delivery;
- Sound knowledge of community resources and the long-term care system;
- Active knowledge of privacy and other relevant legislation (e.g., the *Long Term Care Act*);
- Effective planning, organization, and evaluation skills;
- Superior communication, interpersonal, and conflict resolution skills with high emotional intelligence;
- Efficient computer literacy in patient health databases and Windows environment;
- Demonstrated ability to balance fiscal responsibilities with patient needs.
- The ability to travel throughout the Huron/Perth region is required.
- Valid driver's license and access to a reliable vehicle.

Preferred Qualifications:

- Proficiency in a second language, particularly French.
- Recent clinical experience and experience with mental health and addictions.
- Proficiency with RAI assessment tools.
- Flexible work schedule (i.e., days, evenings, and weekends) to meet organizational needs.
- An ambassador of workplace culture.

Who We Are:
