

## Care Coordinator – Huron/Perth (Casual, Regular Part Time, Temporary Full Time)

### What Can I Expect To Do?

Possessing the skills, the knowledge and credentials (Registered Nurse, Occupational Therapist, Physical Therapist, Master of Social Work), as well as experience and sound judgment, the Care Coordinator contributes to the success of patient-driven care throughout South Western Ontario.

As a Care Coordinator, you'll leverage your healthcare expertise and knowledge of community resources to: assess patient needs; determine their eligibility for services; and subsequently develop, evaluate and/or revise plans of service for patients. Recognized as a valued member of the Home & Community Care Team, you'll be accountable for coordinating the delivery of care to patients across a continuum of care, facilitating and ensuring the achievement of quality clinical outcomes.

### Reporting to the Manager, Home & Community Care, responsibilities include:

- Carry out a variety of patient care and relationship management duties.
- Prioritize new referrals and take timely action, identifying individuals who would benefit from services and connecting with them to determine eligibility for services such as LTC, Adult Day Programs, etc.
- In collaboration with the patient, assess their needs and goals, and incorporate these into care planning, ensuring that the plan includes access to alternative resources.
- Make referrals to a wide variety of community supports, based on specific needs or circumstances, and assist patients and their families through the process.
- Create a transitional plan in collaboration with the patient and system partners (e.g., hospital, primary care and community health care providers).
- Establish and maintain effective relationships with patients and their circle of care – families, service providers, physicians and other partners – to ensure the delivery of the highest quality patient care.
- Represent the Home & Community Care Team on multidisciplinary committees and community agency working groups.

**Location:** This position is located in the South West LHIN region, Huron/Perth counties.

### How Do I Qualify?

- Current, active registration or licence to practise in Ontario as a Registered Nurse (RN, BScN), Occupational Therapist, Physical Therapist, Social Worker (MSW).
- Sound knowledge of the long-term care system and community resources, and experience to assess requirements and develop plans of care.
- Recent clinical experience and experience with mental health and addictions.
- Knowledge of: the roles of health care professionals; the evolving role of LHINs; the issues and priorities within the health care sector and how they impact patient care delivery.
- Practical knowledge of privacy and other relevant legislation (e.g., the Long Term Care Act).
- Effective planning, organization and evaluation skills to manage multiple patients, provide information reports and take corrective action.
- Strong communication and interpersonal skills.
- Ability to use MS Office applications and databases.
- Valid driver's license and access to a reliable vehicle.

- Proficiency in French is an asset.
