

Bilingual Patient Care Assistant – London Switchboard Team (Permanent Full Time)

The Opportunity:

At this time, the South West Local Health Integration Network is seeking one (1) French/English bilingual Patient Care Assistant to support the LHIN's Reception/Switchboard Team in the London location.

As a valued member of the South West LHIN Team, the Bilingual Patient Care Assistant:

- Possesses Advanced proficiency in French linguistic ability.
- Demonstrates a working knowledge of medical terminology.
- Routinely uses exceptional organization, prioritization, and conflict resolution skills.
- Is enthusiastic to communicate and build rapport with patients, families, and health care service providers.
- Genuinely wants to help others with a solution-focused approach.
- Practices and upholds the values of accountability, respect, and “thinking outside the box”.

If you possess the above credentials, skills, and values, we want to hear from you!

What Can I Expect To Do?

You will play a key role in engaging with patients throughout all stages of their healthcare journey.

As the first point of contact for patients, families, and service providers, the Patient Care Assistant demonstrates the integral qualities of a Patient-Centred Care approach when interacting with various stakeholders, whether answering incoming questions or providing system navigation.

The Patient Care Assistant answers phone calls, triages important information throughout the LHIN, and offers “real-time” solutions to patients, where appropriate. The Patient Care Assistant provides timely follow up on patient issues, and is responsible for ensuring accurate documentation in our patient databases. Patient Care Assistants on the Switchboard Team also support the LHIN's Reception Desk.

Location: This position is located in the LHIN's London office.
