

Grey Bruce sub-region Integration Table Meeting Highlights – October 5, 2017

The Grey Bruce sub-Integration Table held its monthly meeting on Thursday October 5, 2017 at the South West LHIN office in Owen Sound

Meeting Highlights

- This was the first meeting of the sub- region Integration Tables (SRITs) in the South West Local Health Integration Network (LHIN).
- All 5 Tables were linked via OTN to receive greetings and foundational information to support the work of the Tables from Mike Barrett (LHIN CEO), Dr. Cathy Faulds (Chief Clinical Lead), and Kelly Gillis (VP Strategy, System Design and Integration).
- SRITs will play an important role in identifying the need for sub-region projects/initiatives that will address sub-region priorities. Equally important is the SRITs role in supporting local and regional work already underway that support the SRIT and regional priorities
- Recognizing that two separate organizations with different mandates have come together to become the South West LHIN, the LHIN is redefining its mission, vision and values to reflect the new organization's mandate. SRIT member had the opportunity to provide input into these statements.
- Members reviewed the Guiding Principles from the Terms of Reference.
- Members discussed that they are at the table to bring the view/perspective of their sector as a whole and not just their individual organization's view. The terms of reference will be amended to ensure this is a clear message.
- Members reviewed a consensus model for decision making that will be used at the Table when decisions need to be make.
- The Table meetings will be extended from 2 – 3 hours to align with the Terms of Reference.
- Next meeting – focus will be on priority setting for the sub-region

The next Grey Bruce sub-region Integration Table meeting will be held on

Tuesday, November 7, 2017, South West LHIN, 1415 1st Avenue West, Suite 3009, Owen Sound,
